# Why Should My Business Join The Chamber?

Membership in the Chamber of Commerce offers many advantages for business success. The purpose of a Chamber is to assist you as a business owner by providing valuable tools to help you grow your business.

- Would you like to be among the first to offer your products or services to new residents to the Semmes Area?
- Would you like to have your business listed in the Semmes Business Directory, for easy access by other members, but primarily members of the public who may be looking for your business or service?
- Would you like to have your business's ads, catalogs and pamphlets on display at the chamber office? Are you looking for a great way to network with other Semmes business owners and representatives? Would you like to receive notices informing you on upcoming events in Semmes?

You will now have access to and may contribute to the Semmes Chamber monthly newsletter, which informs the community and business leaders on events, business meetings and items of interest to chamber members, as well as the public.

- Would you like to celebrate the grand opening or grand re-opening of your business with a special ribbon cutting? Would you like the opportunity to serve with other business people on committees and activities?

You will contribute to community pride by putting the community on display, promoting activities and events that present the chamber members are involved in.

- Would you like to join us for our networking "Coffee & Doughnut Hour" and our monthly luncheon?

You will now be part of a network of local businesses with similar community interests and concerns and are able to interact with like-minded business owners and professionals. You will now be a member of a team with a goal of increasing global awareness of your community and its commerce, as well as your individual business or service. You can speak in a unified voice regarding community and business issues.

If you answered yes to any of these questions, the Semmes Chamber of Commerce is here for you and your business!

We are pleased to have you and your business in the Semmes area, and we believe your business will prosper in our city. We believe that joining the Semmes Chamber of Commerce can not only help your business prosper and bring you needed services, it also shows your concern and dedication towards a better working community.
