LD Permit # \_\_\_\_\_

## APPLICATION FOR LAND DISTURBANCE

Date \_\_\_\_\_

Instructions: An application for a permit must include the applicant's Site Grading and Drainage Plan, including an Erosion and Sediment Control Plan along with sufficient engineering calculations to verify storm-water discharge(s). The plans must be factual and complete and submitted in duplicate to the City of Semmes Public Works Department along with payment of the appropriate fee.

The undersigned hereby applies for a permit for the activity represented on the attached plans. Land Disturbance Residential Permit Fee is \$50.00, and the Commercial Permit Fee is \$100.00. Permit will be issued upon approved inspection of property by QCI Inspector-particularly erosion and sediment control measures in place: construction site driveway in place, to prevent transfer of mud, clay, sand, or debris, onto public roadways, dumpster in place for site debris and construction debris containment, and placement of temporary toilet facilities.
